# Mr. Taylor's 3<sup>rd</sup> and 4<sup>th</sup> Grade

I am pleased to welcome you to the 2020- 2021 school year! I am looking forward to having your child as a student. Third and Fourth grade is such a fun year with so many wonderful learning activities to celebrate.

In order to have a fun year, my most important goal is to create a family of learners in my classroom. I am committed to creating a classroom environment where your child is a valued, trusted, and integral part of our family of learners.

In order to accomplish this, I have planned a variety of activities to emphasize and reinforce this goal. It is my hope that you will support and encourage this vision at home.
